

# PULSE OXIMETER

Comdek®

## PORTABLE PULSE OXIMETER

MD-630P, a portable pulse oximeter, is a compact design with high accuracy and reliable performance. This hand-held unit provides easier to operate with the functions of high and low alarms for oxygen saturation and pulse rate. With its built in thermal printer, the data can be printing out right away. Moreover, it contains last 50 records memory, tone function and volume adjustable. Safe, fast and convenient makes MD-630P becomes the essential & most important equipment in first aid, ICU and anesthesiology system.

# MD 630P SPECIFICATION

## SPECIFICATION

### SpO<sub>2</sub>

Range:	0% ~ 100%
SpO <sub>2</sub> Accuracy:	70% ~ 100% ± 2%
	50% ~ 69% ± 3%
	< 50% unspecified
Pluse Rate Range:	20 ~ 250 bpm
Pulse Accuracy:	20 ~ 250 bpm ± 1%

### Alarm

SpO <sub>2</sub> Alarm Range:	0 ~ 100%
Pulse Alarm Range:	20 ~ 300 bpm

<b>Temperature</b>	0°C~55°C (Optional and Storage)
<b>Sound:</b>	Volume and Mute selectable Time

**Printer:** SpO<sub>2</sub> and pulse readings

**Power Requirement:** DC 6 volts by 4 alkaline AA size batteries

**Dimensions:** 170(L) x 88(W) x44(H) mm

**Weight:** 300 g (without battery)

**Quality System:** ISO 9001, ISO 13485, GMP

**Safety:** EN-60601-1, EN-60601-1-1  
EN-60601-1-2

## FEATURES

- High accuracy
- With AC/DC selectable
- Clear numerical display
- Low power consumption
- Built-in thermal printer
- Tone function and volume adjustable
- Small light weight and easy to operate
- Quick response of SpO<sub>2</sub> and pulse rate
- Adjustable SpO<sub>2</sub> and pulse rate alarm settings

## STANDARD ACCESSORY

1. AC/DC adapter
2. 4 pcs AA alkaline batteries
3. Carry bag
4. R004 reusable finger probe for adult

## OPTIONAL ACCESSORY

Model No. R003  
Pediatric Probe  
Reusable

Model No. R004  
Adult Probe  
Reusable

Model No. R005  
Infant Probe  
Reusable

Model No. R008  
Ear Probe  
Reusable

Model No. D001  
Pediatric Sensor  
Disposable

Model No. D002  
Neonate Sensor  
Disposable

Model No. D003  
Infant Sensor  
Disposable

Model No. E009  
Extension Cable  
Reusable

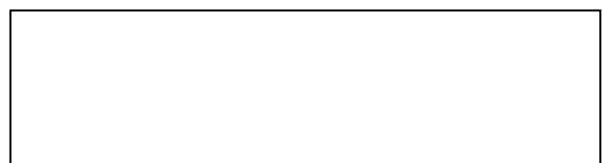

▣ More probes are available upon request.
