

PULSE OXIMETER

Comdek®

TRAVELER OXIMETER

A new generation of Traveler Pulse Oximeter is specially designed to be used by healthcare and emergency rescue professionals for quickly spot check on oxygen saturation and pulse rate through non invasive measuring.

Traveler Oximeter is developed by new integrate technology of IR applications. It provides a wide range of measurement, low power consumptions, simple operation, fast response and high level accuracy on a light-weight design unit for easy had carry that gives you an observation of oxygen status at everywhere to fit as your needs between first aid and individual.

A large LED display clearly indicates numerical readings and pulse rate strength in real time. Plus all in one functionally together with unique, sharpness, compact, mechanism designed.

MD 650P SPECIFICATION

SPECIFICATIONS

SpO₂	
Range:	0% ~ 100%
SpO ₂ Accuracy:	70% ~ 100% ± 2% 50% ~ 69% ± 3% < 50% unspecified
Pluse Rate Range:	20 ~ 250 bpm
Pulse Accuracy:	20 ~ 250 bpm ± 1%
Probe type:	Built-in Adult Finger Probe
Temperature:	0 ~ 55% (Operating) -20 ~ 70% (Storage)
Humidity:	15 ~ 95% (Operating) 10 ~ 95% (Storage)
Power Requirement:	3 pcs AAA Size battery
Quick measurement:	8 seconds depend on pulse rate
Power Management:	Power saving function, 10 seconds auto power off when not measuring
Mechanical Design:	All in one, finger type
Dimensions:	73(L) x 45(W) x 39(H) mm
Weight:	60 g (Net)
Quality System:	ISO 9001, ISO 13485, GMP FDA CE 0434
Safety:	EN-60601-1, EN60601-1-1, EN-60601-1-2

FEATURES

- * Any patient from pediatric to adult
- * Compact and modern design
- * All in one with built-in finger probe
- * Quick response of SpO₂ & Pulse Rate
- * Easy carry for spot-checking
- * Pulse strength by full scale light bar indicator
- * Large and Light LED indicator
- * Easy to read for any time and any where
- * Uses “AAA” battery
- * Battery life approx. 30 hours continuous use
- * Low battery indication (1 hour remains)
- * Low power consumption
- * Auto power off when not measuring

ACCESSORY

1. 3 pcs AAA size alkaline batteries
2. Lanyard
3. Owner's manual
